

db_select_query

```
graph LR; A[db_select_query] --> B[select_query]; B --> C[check_connect];
```

A flowchart consisting of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'db_select_query'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'select_query'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'check_connect'.
